It gives me immense pleasure to present the school report of the academic year 2023 – 24.

SCHOOL INFORMATION:

ASM's Empros International School,

In keeping with our commitment to provide holistic education to students, our curriculum has been designed to keep in pace with modern sensibilities while inspiring an intrinsic motivation to learn. We believe that each child is unique, and we want to help them discover their own true potential and talents.

The EIS curriculum focuses not only on core academics but also on the intellectual, physical, social, emotional, and spiritual development of students. We believe that in order to be equipped for the real world, students need to look beyond good grades and develop their 21st century soft skills like creative thinking, problem-solving and critical thinking.

The school was upgraded to the Senior Secondary level in the year 2022, since then three batches of Grade X have passed out and we have secured 100% results in all the years.

2023 – 24 is the third batch of Grade X and 2024 – 25 will be the first batch of Grade XII passing out.

Today we have 900 plus students in the school and hope to achieve the milestone of 1000 students in the coming year 2024 – 25.

Needless to say all our parents have been giving us unstinted support in all areas of our school development. We hope that such support continues for the overall development and growth of our school.
